Make-A-Wish® Northeastern California and Northern Nevada was established in 1983 as one of the early local chapters of Make-A-Wish® America, which is the leading wish-granting organization in the country. Since then, it has granted nearly 5,000 wishes to children within its 37-county service area. The mission of Make-A-Wish® is to grant wishes to children, age 2 ½ to 18, with life-threatening medical conditions to enrich the human experience with hope, strength, and joy.
